

# American Standard Garbage Disposer Models and Specs

## ASE-30

- 2400 RPM 1/3-HP
- Torque Master® Grinding System
- Bio Shield® Antimicrobial Odor Protection
- Balanced Turntable & Armature
- Anti-Jam Stainless Steel Impellers

- **Stainless Steel Grinding Components**
- **Corrosion Proof Grinding Chamber**
- Sound Insulation
- Removable Splash Guard
- Power Cord Attached

## ASE-50

- 2600 RPM 1/2-HP\*
- Torque Master® Grinding System
- Bio Shield® Antimicrobial Odor Protection
- Balanced Turntable & Armature
- Anti-Jam Stainless Steel Impellers

- **Stainless Steel Grinding Components**
- **Corrosion Proof Grinding Chamber**
- Sound Insulation
- Removable Splash Guard
- Power Cord Attached

## ASE-70

- 2600 RPM 1/2-HP\*
- Torque Master® Grinding System
- Bio Shield® Antimicrobial Odor Protection
- Balanced Turntable & Armature
- Anti-Jam Stainless Steel Impellers

- **Stainless Steel Grinding Components**
- **Corrosion Proof Grinding Chamber**
- Sound Insulation
- Removable Splash Guard
- Power Cord Attached

## ASE-90

- 2700 RPM 3/4-HP\*
- Torque Master® Grinding System
- Bio Shield® Antimicrobial Odor Protection
- Balanced Turntable & Armature
- Anti-Jam Stainless Steel Impellers

- **Stainless Steel Grinding Components**
- **Corrosion Proof Grinding Chamber**
- Sound Insulation
- Removable Splash Guard
- Power Cord Attached

## ASE-90

- 2700 RPM
- Slim-Line® Space Saving Model
- Torque Master® Grinding System
- Bio Shield® Antimicrobial Odor Protection
- Balanced Turntable & Armature
- Anti-Jam Stainless Steel Impellers

- **Stainless Steel Grinding Components**
- **Corrosion Proof Grinding Chamber**
- Sound Insulation
- Removable Splash Guard
- Power Cord Attached
